

**"Since hiring
Portola
Systems
we have
experienced
a greater
amount of up-
time on our
network."**

“

Portola Systems continues to demonstrate a high level of professionalism and expert technical knowledge. When upgrades are required or when we run into technical difficulties we can always count on them being there for us. Since hiring Portola Systems we have experienced a greater amount of up-time on our network. Our whole organization

appreciates their support.”
